Get inspired by Bolt Burdon's in-house event schedule from 2023!

BOLT BURDON

Bolt Burdon decided to really get stuck in to the inaugural National Conveyancing Week by running their own in-house event to further amplify the key messages of NCW.

First of all, they ran a LinkedIn campaign in the lead up to NCW 2023, but they also put on their main event, 'Lunch & Learn'. This was a 2 hour event where they welcomed their professional network of estate agents, surveyors, property managers and indemnity insurers along with industry experts and colleagues.

The Bolt Burdon team presented bitesize chunks on topics such as enquiries, lenders, SDLT and leaseholds, to name just a few.

After this, they provided a spread of lunch & refreshments for an informal networking session.

This event was a huge success. Bolt Burdon felt it helped grow their team's confidence in speaking at events to the public, strengthened their connection with referrers and also held them out as industry experts.

We can't wait to see what they have in store for 2024!
